

## Classroom Progressions

As you start thinking about the next school year, please note the classroom progressions that we've designed to foster ongoing relationships:

	18-24	2	3	4
Children and teachers move together from Rainbow to Snowflake. Children move together from Snowflake to Blue.		Rainbow: older 2's →	Snowflake	Blue
Children and teachers move together from Yellow to Red. Children move together from Red to Green.		Yellow: younger 2's →	Red	Green
Children and teachers move together through the rooms.		Cloud →	White →	Gold
Children and teachers move together from Silver to Orange before entering one of two multiage rooms for two years.	Silver →	Orange: mid 2's	Sunshine OR Copper	
Any 3- or 4-year old child may choose to join a Spanish immersion, multi-age classroom.			Purple	

We value the relationships that are built between children, families and the classroom teachers. Because we respect these relationships, we try our best to keep the teaching teams the same. However, the continuity of the teaching teams cannot always be guaranteed due to the needs of the school and the faculty. Should there be any changes in the teaching teams, parents will be notified as soon as possible after the changes have been communicated to the faculty.
