

## **Decision Making Process for Enrollment**

*PSA reserves the right to make enrollment decisions to maintain an optimal learning environment and to maximize full capacity of the school.*

Here are our general priority guidelines for enrolling children:

1. Summer 2012 availability, if applicable
2. 12 month (9+summer 2013) contracts over 9 month contracts
3. Full time schedules over part time schedules
4. Part time schedules with flexible days
